LEMON GROVE REVIEW

Vol. 29, No. 13 | Lemon Grove, California | Thursday, October 21, 1976 | Phone 469-0101 | Ten Cents

The DIMMER VIEW

by Max Goodwin

The Power to Destroy

California's produce industry is probably the most sensitive market in the world.

Mess with it just a little and prices skyrocket. The recent summer rainstorm in the upper valley shot lettuce prices up to 60 cents a head. Tomatoes followed and raisins, yet to hit the market, will be more than double the current price.

An earlier union boycott on grapes created the atmosphere for today's grape prices. President Ford, just prior to an appearance on teevee a few days ago to tell the nation how he had stemmed inflation, had, the same week, raised the ceiling on milk a cent a quart and tripled the duty on imported sugar. A little later he embargoed beef. Soon after the election the family food provider will feel the impact of these actions. Ostensibly, Mr. Ford took his action to gain the political favor of beef ranchers, cane and beet farmers, and milk producers—all noted for being generous in supporting those who recognize the "plight" of these industries. But nobody seems to be watching the plight of the consumer — not even when sugar was a dollar a pound.

Now comes Proposition 14, the Cesar Chavez-sponsored farm labor law. It's a bad law.

The existing Agricultural Labor Relations Act of 1975 created the Agricultural Labor Relations Board (ALRB) and guarantees secret ballot elections for all California farm workers.

But Prop. 14 adds dangerous new ingredients. It has the "access rule" which permits non-employee union organizers to trespass on private property without the permission of the property owner.

The true meaning of this will be viewed a few paragraphs below — after a look is given at another ingredient in Prop. 14.

Prop. 14 would take ALRB out of the jurisdiction of the legislature. Union rules would be enforced by an appointed board, answerable to no elected officials and, of course, it has no legislative checks and balances. It would have autonomous power greater than any governmental function foreseen by those who put together our great Constitution. It would require us to pay whatever costs needed to administer the new law, regardless of the fiscal irresponsibility of a totalitarian bureau with a taxpayers' "blank check."

This same non-elected agency, with a $1.5 million budget in 1975-76, overspent it all in 6 months; borrowed $1.2 million and blew that, too. Oh Boy!

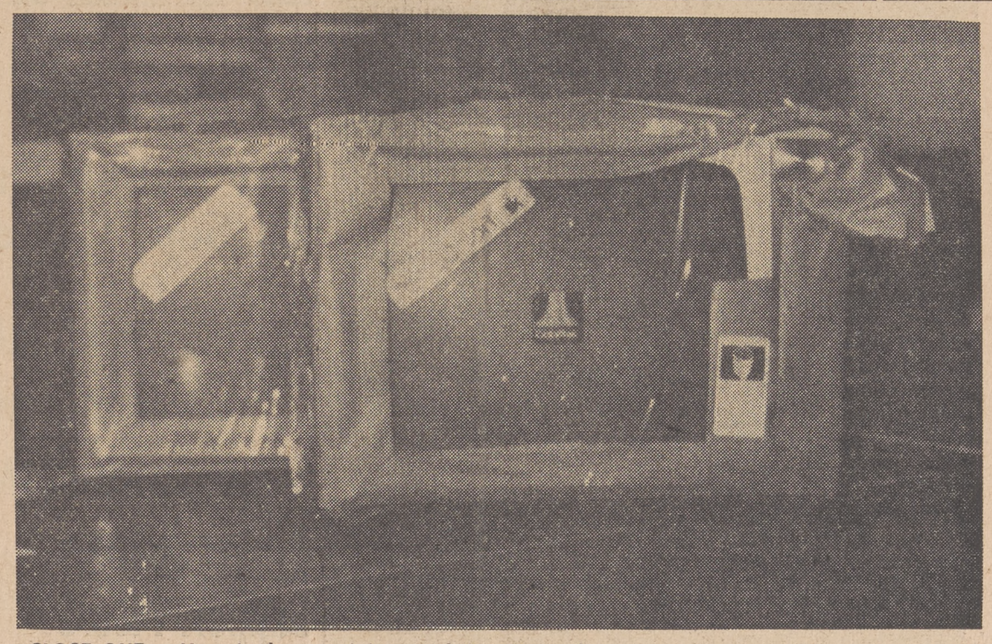
Many Californians have become reconciled to an overspending government and to agencies that rule much of their lives without voting power to stop them. But this will be the deepest inroad ever, if Prop. 14 passes.

It would make the access rule a permanent part of California law. It would allow invasion of private property rights even if organizers engaged in "disruptive conduct."

This dangerous and frightening situation leads to further erosion and destruction of the private property rights of all citizens.

Prop. 14 can eventually be interpreted into giving an organizing group the license to destroy.

What it can do to the property of one owner it can do to another. Maybe yours.



CLOSE OUT — Here is the remaining stock in trade of a transient couple who was selling color teevee sets at bargain prices from the trunk of their Mustang in a liquor store parking lot at 9907 Campo rd., Spring Valley. Sgt. Roger Jacobs of the sheriff's Lemon Grove office investigating the parking-lot sale took the couple into custody following a complaint that the sets were old and non-operating. The sets, none of which worked, had been purchased by the sellers at a Goodwill store in Winslow, Arizona for $10-$15 each. The sets were offered at the "bargain" price of $85. A victim refused to file charges — he was "too embarrassed." It was not known how many "new" sets had been sold by the pair. The couple was released for lack of a witness.

Week-end Crime Problems Plague LG-SV Residents

Here are several items reported to the Sheriff's Lemon Grove office during the week-end.

Those reported here are only part of a substantially larger list — most of which were omitted due to lack of space. The total list is about the same as every week-end.

Garage Left Unlocked

Tools valued at $125 were taken from the garage at the residence of Jeffrey Alan Clark, 7805 Lansign dr., Lemon Grove on October 16.

The garage had been left unlocked, he reported.

Watching Fails

A clerk kept his eye on a shopper at Alpha Beta, a supermarket at 7117 Broadway in Lemon Grove, because the man appeared furtive as he placed packages of meat in his shopping bag.

The suspicions of clerk William Neil Majors on October 17 were correct. The black, about 30, slithered through the line without paying. Estimate of the lost meat was placed at $50.

Hungry Burglar

Insult was added to the loss when someone entered the Inferno Bar on October 16 while it was closed for the night. The injury was $65 the burglar took. The insult was that the burglar leisurely prepared himself a beef burrito, took a bag of chips and ate as he worked.

The Inferno is at 9944 Campo rd., Casa de Oro.

Swing is Gone

An oval-shaped hanging basket swing was taken from the rear yard at the residence of Donna C. Clothier, who lives at 12839 Vista Cielo in Spring Valley.

The loss was discovered when she returned home on October 17, after being gone only a few hours. The swing cost $175, she reported.

Four Flat Tires

A complaint to a neighbor about loud music at about 10:30 p.m. on October 15, may have been the basis for a later complaint to the sheriff's office.

Ramon C. Frey, 63, of 7166 Rosemary lane, Lemon Grove, told police that he had found his neighbor stooped over one of the wheels of his car after he had asked him to reduce the volume of noise.

Police noted that all four tires on Frey's '75 Olds had been slashed. Frey estimated the cost of replacing the tires to be $240.

Stereo Stolen

Who, when or how Ronald D. Norlinger's reel-to-reel stereo equipment was taken may never be known.

Norlinger, who lives at 10210 Cenlinetta, Spring Valley, told sheriff's deputy that equipment was taken while he was away. No point of entry nor other clues were visible.

Screwdriver Used

A screwdriver was used to break into James D. Swisher's '73 Buick on October 14 to get to a $150 CB radio. The car was parked at Swisher's home, 3860 Helix st., Spring Valley.

Kick is Key

Susan Lee Tootle of 2731 Bancroft dr., Spring Valley, had an almost burglar-proof locking arrangement on her 1968 Buick. If you kicked the door in the right place it would open.

Someone who apparently knew the secret kicking combination did that on October 17 while the car was parked in the 7800 block on Broadway in Lemon Grove.

Missing was Tootle's 8-track stereo and 5 tapes—all valued at $55.

Party Crashers?

Sheriff's deputies reported that two 18-year old youths, repulsed when allegedly attempting to crash a party at 7414 Canton dr., Lemon Grove about midnight October 17, returned with guns and reportedly fire a shot through the bathroom window of the house.

Sheriff's deputies filed a charge of suspicion of "assault with a deadly weapon" and "shooting at an inhabited residence" against Michael C. Weisner, 18, of 1225 Stoneridge, Spring Valley and suspicion of shooting at an inhabited residence" against Randall J. Positerry, 18, of 1905 Berry st., Lemon Grove.

A Marlin 30-30 rifle and a Winchester 20 gauge shotgun were seized by police following the incident.

Harold D. Sladwick, operator of Harry's Lemon Grove Service, 7593 Broadway, is seeking his night manager—William Neil Majors, 19, of 7645, Lemon Grove.

When Sladwick checked on his station during the night of October 17, it was closed. Further investigation, according to the owner, showed that $138 and some tools, were also missing. A check with the employee's landlord brought the information that Majors had left his residence on October 3rd. The landlord voluneered the additional information that the tenant left owing him some money, police were told.

S.V. Park & Recreation Leader Asks Support for Proposition AA

Herb Ketell, past president of the Spring Valley Parks and Recreation Advisory Council, this week urged residents of the Valle de Oro area to support Prop AA which would provide maintenance for parkland yet to be acquired.

Prop. AA calls for a 7 cents per $100 tax increase for property owners in the Valle de Oro area which includes Casa de Oro and Spring Valley.

The proposition is supported by the League of Women Voters—Cajon Valley.

Ketell noted that the Federal government is offering grants for public parks. The amounts are in the millions. $500,000 is available for park property in the Valle de Oro area. No funds will be allotted unless a service district exists. Prop AA would form service area No. 85 The cost would be 36½ cents a month for the average residence.

One District Formed

Already in a service district is the S.V. Parks and Rec. District which costs 20 cents for each $100 of assessed valuation.

That district received in the past two years $150,000 from HUD and $147,000 from the State Park Bond issue. But the rest of the Valle de Oro area cannot get a dime unless it is a county service area, Ketell says.

Says the LoWV's president Dana Quittner, in part ". . . the Board of Supervisors has not accepted responsibility for financing parks in rapidly urbanizing areas such as Spring Valley. Hence, we believe that a local community which wishes to tax itself in order to maintain local parks should be encouraged to do so."

Mt. Miguel Celebrates Homecoming

By John Kowalczyk

Mt. Miguel students of yesterday and today are celebrating their 20-year heritage this week as the school observes its homecoming.

The ASB decided that sports would be the theme of the festivities, a theme promoted especially today as students and teachers dress up as their favorite sports figures.

Tomorrow is dress-up day of a different sort. Labeled "Style Day," Friday will call for best dress. Everything to tie and tails will be appropriate.

Students will want to look their sharpest for visit alumni who are invited to a 10:30 assembly on the campus football field, an alumni tea following the assembly in the school library and — of course —Friday night's homecoming game and dance.

Special student-only events among several throughout the week were bowling for pennies, mini-baseball, bubble gum blowing and balloon blowing contests

Homecoming King

A highlight of the morning assembly will be the crowning of the homecoming king.

Seniors Mike Smith, Mike Spitz, Rick Caseneda and Ken and Karl Mullins (twins) are vying for the title.

The more traditional homecoming queen will be chosen by popular vote and announced during half-time of Friday's football game.

Princesses in the running are seniors Valerie Lynch, Ree Estrada, Cheryl Knapp, Cindy Farness and Leslie Pigo. Last year's queen Maria Franco will be on hand to crown the winner.

Both king and queen reign over the dance which follows the game in the school gym.

Football Action

Aside from facing neighborhood rival Monte Vista, tomorrow the Matador homecoming takes on added significance as the team makes a mid-season bid for the Grossmont Varsity lead.

They trail undefeated Granite Hills by one game and are presently tied with El Cajon Valley High for second with a 3-1-0 record.

The Matadors stunned El Cajon Friday with a 9-0 upset victory.

Monte Vista, 2-1-1 is in fourth place.

Kick-off tomorrow is 8 p.m.

Impact Reports Asked For E. County Areas

Environmental impact reports have been requested for three areas in the east county, it was announced this week.

A sub-regional analysis for 49 square miles in the Jamul area asks for studies to see how the request relates to the County General Plan.

Also in Jamul, a report for 20 lots on 806 acres has been requested. Known as Lawson Valley Estates it is adjacent to Lawson Valley rd. about 5 miles from Fwy. 94.

In Spring Valley an impact report has been asked for a 108-lot subdivision on 25 acres. Known as Vista del Largo, the property is north of Akard st. and west of Kempton.

The EIR's and the supplement can be reviewed at the County's Environmental Analysis Division, 9150 Chesapeake dr. in San Diego. The EIR's are also available for review at the Ecology Center, 341 Kalmia st. in San Diego and the El Cajon, Encinitas, Fallbrook, Lemon Grove and Vista branches of the County library.

Apples For Sale

Washington Extra Fancy Delicious apples by the case, half-case and quarter-case are on sale at Central and Imperial in Lemon Grove through Saturday. The sale is the 22nd Kiwanis Apple Days, a major source of charitable revenue for the club.

The truck is manned 10 a.m. to 5 p.m. through Saturday. Prices — $12, $6 and $3 — are the same as last year's.

'Fair Trial, Free Press' Seminar Set For Saturday

Noted lawyers, judges, educators and newsmen from across the country will participate in the Second Annual Fair Trial, Free Press Seminar, Saturday at the Sheraton Inn-Airport, on Harbor Island.

The all-day seminar is open to the public.

It is sponsored by the Bench/Bar/Media Committee, made up of representatives of the San Diego County Bar Assn. and the San Diego Chapter, Society of Professional Journalists, Sigma Delta Chi, and the Copley Newspapers.

This year's seminar spotlight will focus on protective orders, or "gag orders". Heading the list of speakers will be Carl Stern of NBC's Washington Bureau, Cal State Attorney General Evelle Younger, Justice Paul Reardon of the Massachusetts Supreme Court, Professor Dale R. Spencer of U. of Missouri and defense attorney Leonard Weinglass, Los Angeles, of the recent Bill and Emily Harris trial and other news-sensational trials.

Others speakers will be R. L. Spangler, State Media Chairman for the California Bench - Bar - Press Committee; Alice M. Padawer-Singer, Psychologist, Columbia U.; Bob Rose, reporter for the Chicago Daily News, and James Jackson, Santa Cruz attorney who has defended three mass murderers in Santa Cruz County.

Tailpipe Fire Called Arson

The auto belonging to a resident of 7025 Waite dr., an apartment complex in Lemon Grove was damaged slightly on the evening of October 14 after an arsonist stuck a gasoline soaked rag into the tailpipe of the car and set it afire.

A witness put the fire out with an extiguisher after calling the L.G. Fire Department. The owner named a suspect.

Staple Gun is Loot

A Senco-matic staple gun was stolen from the van of Ronald A. Jackson on the night of October 4. The $200 tool with a serial number 75A321 had been locked in the vehicle while Jackson was away. He lives at 9424 Crest in Spring Valley.

Surfboarder Beached

An 8'-6" surfboard was taken from in front of the garage at the home of Edward John Gray, 8735 Hiel st., Spring Valley on October 6, he told sheriff's deputies.

LG Candidates Debate Tonight

Candidates for Lemon Grove School Board meet for a debate tonight at the Lemon Grove Jr. High Auditorium.

The voting public is invited to witness the encounter sponsored jointly by EPIC, Monterey Heights Community School and Golden Avenue Community

It begins at 7:30 p.m.

The candidates for the seat are Bernard Brandt, Carol Chubb, Todd Keegan, Craig Lake and Chuck Pennell.

As in TV, Sheriff's Men Have L.G. Burglary Replays

It was like a repeat television series to Sheriff's detective R. A. Lindsay. He had seen it before!

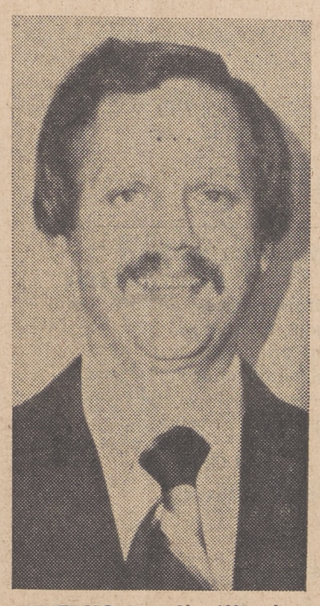
He answered a complaint October 14 from Daniel R. Paddleford of Los Angeles, who is constructing a building at Broadway and Massachusetts in Lemon Grove.

Someone had entered the nearly-completed structure during the night before and removed a wheelbarrow of tools worth $600 and an acetylene tank attached to a two-wheeled cart.

Evidence indicated that the cart had been damaged and one of the wheels was frozen. The track made by the frozen wheel was followed to a residence on Central ave. The victim, looking through the garage window recognized his belongings. A search warrant was obtained and men were sent to bring the tools and equipment in.

When officers arrived at the Sheriff's Lemon Grove office to inventory the items, Detective Lindsay did a double take. The tools were the same ones that he, with other officers, had recovered for the same construction outfit at the same place on September 30 — just two weeks before. The only difference was that the Lemon Grove juveniles, guilty of the first burglary, didn't take the aceteylene cart. It was probably too heavy for the youngsters to pull.

When Paddleford got his belongings back the second time he noted that law enforcement here is pretty effective. "I ought to move my Los Angeles operation to Lemon Grove."



DIVERSION — Sheriff's detective Tom Nelson of the Lemon Grove office has been placed in charge of the sheriff's new Juvenile Diversion Program for the Lemon Grove-Spring Valley area. The new program will divert first-time offenders from the criminal justice system by providing added investigations and additional options for handling juveniles who become involved with unlawful acts. Nelson has been a juvenile detective for six of the 14 years he has been a deputy. Included is one year as a Youth Bureau counselor.

Bates Tour Backs Propositions B, C

Supervisor Jim Bates was touring the east county in person Friday to gain support for San Diego County Charter propositions "B" and "C".

Prop. "B" would consolidate the offices of the County's Tax Collector and the Treasurer. It's popular. 51 of the state's 51 counties operate under such consolidation, Bates said.

The inital impact would be the saving of $200,000 a year with the savings increasing over a work generation.

Prop. "C" would restrict elective offices to three successive four-year terms. His study, said Bates, shows the average tour of duty at present is 10½ years. Such a limit would tend to discourage the "buddy system," he said.

Two opponents of "B" are Sheriff John Duffy and District Attorney Ed Miller, Jr.

One supervisor opposes "B" —Lou Conde. The other four Jack Walsh, Dick Brown, Lee Taylor and Bates — support both propositions. Conde did not argue for or against "C".

Chubb Social Friday

A coffee social for Carol Chubb, candidate for Lemon Grove School Board, is held Friday at the home of Mrs. Esther Robinson, 1476 El Prado ave., 7:30 p.m.

Citizens wishing to attend may contact Mrs. Robinson at 465-0479.

Area Funeral Services

John Watmore

Cryptside services were held Friday in Holy Cross Mausoleum for John A. Watmore, 56, of 2509 Central ave., Spring Valley. Entombment followed in the mausoleum under the direction of Conrad Lemon Grove Mortuary.

Watmore, who was killed in a boating accident in Arizona on October 10, was a retired civil service production engineer at the North Island Naval Air Station.

He was a native of Colorado and a county resident 38 years. He was a member of the San Diego Outboard Boat Club.

Survivors include his wife, Rosario; a son, John A. Jr. of Spring Valley; two daughters; a sister, and 11 grandchildren.

Gladys McDermott

Services were held Friday at Greenwood Mortuary for Gladys V. McDermott, 85, of 8029 Drexel ct., Lemon Grove.

Entombment followed at Greenwood Mausoleum.

Mrs. McDermott was a 31-year resident of the county and a native of Iowa. She was a member of the Order of the Eastern Star.

She died October 13.

Surviving are a son, Harold of Lemon Grove; a daughter, Frances Emerson of Lemon Grove; a granddaughter and one great-granddaughter.

Alexander Alvarado

Funeral services were held October 13 for Alexander P. Alvarado, 73, of San Diego who died October 8 in a hospital.

He became known to early Lemon Grovans while he operated Pal's Cafe at Imperial-Lester ave. for 10 years. He later sold it to Ted Fetters who operated it until a few years ago.

He is a descendant of Jose Maria Alvarado who was governor of California in 1832 and Gen. Andres Pico, who commanded the Californians in the Battle of San Pasqual.

He is survived by his wife Lucille. The family suggested that contributions, of made, be made to the American Cancer Society.

SV Church Bazaar Includes Dip Dinner

Handcrafted items, a junque boutique, plants, jams, jellies and a 15-cent-a-dip dinner are featured at the "Bicentennial Harvest Festival Bazaar" of Trinity Presbyterian Church in Spring Valley.

The one-day fundraiser starts at 3 p.m. November 4 at the church, located at 3902 Kenwood dr., Spring Valley.

The sale ends at 8:30 p.m. and dinner is served from 5:30 to 7:30.

Church Okays Youth Rec. Experiment

The church congregation at Vista La Mesa Christian Church voted at a recent meeting to approve a church-sponsored youth recreation program.

An eight-week experimental project will begin soon at the church, located 4210 Massachusetts ave., La Mesa.

Purpose of the program is to provide a place for neighborhood youth to meet for recreation on a regular basis.

The program will be open Tuesdays and Thursdays from 3 to 5:30 p.m.

Church Needs Piano

The Primary Department of the Skyline Wesleyan Church Sunday School needs a piano. An urgent request is out to someone who can either loan or donate an instrument.

The church office may be contacted at 460-5000.

Church Bazaar Dated

A bazaar is being sponsored on October 29 by the United Methodist Women of the First United Methodist Church of La Mesa, on the church grounds.

A variety of Christmas gifts as well as gifts for all occasions will be available. The sale is 10 a.m.-4 p.m. The church is at Lemon and Palm sts., La Mesa.

ANOTHER ANNIVERSARY — To Cornelius and Helen Hartley, grandparents of Sharon Libby of Stanbury st., Spring Valley, wedding anniversaries are not novel. The couple just celebrated their 60th at an El Cajon restaurant last week. Joining them was Mrs. Libby and husband Richard; their only daughter, Helen Timm; great-grandchildren and other members and friends of the family.

Concert, Bazaar For VLM Church

A concert of madrigal, fun songs, and sacred music will be offered at the Vista La Mesa Christian Church, Sunday at 7. Preceding the concert will be a pot-luck dinner.

The Church's Christian Women's Fellowship is sponsoring its annual bazaar on November the 11th 5:30-9 p.m. and November 12th 10-3. A turkey pie dinner and luncheon will be served at the bazaar.

AREA BIRTHS

Businessmen's Dinner

The Christian Businessmen's 34th annual fall banquet is planned for November 4 at 7 p.m. at the Scottish Rite Masonic Memorial Center in Mission Valley.

Jeb Stuart Magruder, former Special Assistant to the President of the United States, is the speaker.

Reservations are taken at 239-8275.

DMV Service by Appt.

The Department of Motor Vehicles is experimenting with another public service. This time it's an after hours "customized appointment" for motorists who cannot get into the DMV offices during normal business hours.

Effective October 7, 48 of the state's smallest DMV facilities are replacing the late-Thursday night hours service with the personal appointment system.

Late Thursday hours, initiated in July 1975, proved too costly to the smaller DMV offices. The appointment system is expected to reduce the cost of extra staff hours.

The greater San Diego area DMV offices are not participating in the appointment system, but will continue late Thursday closing at 6:30 p.m. instead of the usual 5 p.m.

Seniors Group Meet

The senior citizens' group at Vista La Mesa Christian Church hold their monthly meeting Thursday, October 28 at the church.

Games commence at 11 a.m., followed by a pot-luck lunch at noon and entertainment at 12:45.

Riles Wins PTA Honor

Dr. Wilson Riles, state superintendent of public instruction, is the 1976-77 honorary membership chairman of the California State PTA, according to Mrs. Virginia Macy, president.

A strong supporter of PTA principles, Riles is currently second vice president and member of the commission on education of the National PTA. He has served six years as a member of California State PTA's advisory board.

More Spending Than Income Marks First Fiscal Months

State General Fund cash receipts for the first two months of Fiscal Year 1976-77 were nearly $1.51 billion while government cost expenditures totaled almost $1.67 billion for the same period, State Controller Ken Cory reported.

Revenues through August 31 were $212 million greater than for the same period a year ago, an increase of 16.39 per cent.

Expenditures were $273 million higher than a year earlier, an increase of 19.58 per cent.

"It's not unusual for disbursements to run ahead of receipts during the early months of the fiscal year," Cory said. "Much more significant is the fact that the revenue receipts now are running slightly ahead of budget estimates while disbursements are slightly below the estimates."

Major revenue sources produced the following receipts through August:

Sales tax, $695 million; personal income tax, $486 million; bank and corporation franchise and income tax, $90 million; inheritance tax, $39 million; cigarette tax, $40 million.

Also, insurance companies tax, $58 million; liquor taxes and licenses, $23.9 million; interest income, $28.2 million; horse racing revenue, $8.3 million; health care receipts, $15.3 million; gift tax, $5.3 million; revenue from State lands, $88,000.

Major disbursements were: School apportionments, $504 million; social welfare programs, $196 million; health care, $178 million; state universities and colleges, $97.4 million; University of California $150 million; bond interest and redemption, $97.7 million.

Also, senior citizens property tax relief, $36 million; and renters property tax relief $1 million.

Art Green Throws Support To Sup. Candidate Kenrick

Art Green, 2nd runner up in the primary election has given his endorsement to his former opponent, Citizens to Elect Walt Kenrick announced.

In endorsing Kenrick, Green said, "I have had the opportunity to observe both candidates for the 2nd District Board seat at close range and to learn their stands on issues. In my judgment Walt Kenrick stands out as the one who most closely reflects the needs of our District."

Green agrees with Kenrick on the need of keeping Edgemoor open, and feels Walt is genuinely concerned with fiscal responsibility to benefit the taxpayers.

"He will serve as a voice of moderation to end the bickering that has prevailed on the Board. I encourage all my friends and supporters to join with me in support of Walt Kenrick for Supervisor," Green urged.

Alpine Couples Support Moore

ALPINE — A group of influential East County residents has announced support for Lucille Moore as a family candidate for responsible land use in the second district supervisorial race.

"A lot of us don't want Alpine to burgeon forth and become a big metropolis," said Mrs. Katherine B. Jenney, an Alpine rancher. "We like living in a mountain community. Of course it has to grow, but I'd like to see it grow in the right way."

Mrs. Jenney expressed faith in Mrs. Moore's land use philosophy. "We want to strike a happy medium and not have Alpine grow too fast. I think Lucille would help us do that."

Bea LaForce, a long-time Alpine resident, said, "We all think there should be more women in local government. We thought she'd be a good representative because she's intelligent but not flamboyant. Most politicians promise the moon with a fence around it, but she's not like that.

"She has the family viewpoint," Mrs. LaForce added, "best expressed by a married woman who has raised a family".

Runge Leads PTA Talk On Boundary Change At Highlands School

The Highlands Elementary School PTA of Casa de Oro holds its first general meeting tonight at 7:30 p.m. Thursday in the school cafetorium.

Guest speaker is Dr. Jim Runge, superintendent of the La Mesa-Spring Valley District, who will speak about the recent Highlands school boundary changes. A question and answer period follows.

Property Tax Reform Rejected

Lynn Pankhurst, candidate for the 80th Assembly District, has criticized the Democrat incumbent for his part in defeating seven major property tax reform measures during this legislative session. All but one of the bills have been killed or held in the Assembly Revenue and Taxation Committee.

"Throughout the entire state, taxpayers are justifiably upset over the increased property assessed valuations," she said. "In many cases the assessed valuations of homes have increased over 100 per cent. The increase in property taxes is forcing citizens on fixed incomes out of their homes. Homeowners are crying for relief! Republican legislators have attempted legislating relief measures only to have them shot down by the Democrats in the Assembly. The truth of the matter is that the Democrats have blocked good tax legislation all during this session."

The concerned citizen who chooses less government interference and greater fiscal responsibility has an opportunity on November 2nd to "turn around" the present state of affairs existing in Sacramento by voting for her, she said.

Prop 1 Supported

Marlene Feldman, a long time political activist has been named the San Diego County Coordinator for Prop. 1, a $500 million state bond issue to provide low interest home loans for California families.

Announcement of the appointment was made by State Senator George Zenovich and S.D. Assemblyman Peter Chacon, both co-chairpersons of the campaign.

Prop 1, which will appear on the November 2 general election ballot, would stimulate the building of more new homes and create additional jobs in the construction industry, as well as provide home loans to Californians.

Feldman, who has long been active in Democratic Party politics, was the San Diego County Coordinator for the presidential bid of United States Senator Hubert Humphrey in 1972.

Arthritis Lecture Dated

A series of lectures on arthritis and nutrition is scheduled for the next several months at the Moore Memorial Arthritis Clinic, 6363 Alvarado court, in the Alvarado Medical Center.

The lectures, presented by George A. Moore, M.D. are held each Friday at 1 P.M. The Moore Memorial Arthritis Clinic specializes in the Moore regimen for the alleviation of arthritis. The clinic phone is 287-9560.

Local Theater Revives 'Seven Year Itch'

The Lamplighters, a local theater troupe, have revived the Marilyn Monroe film classic "The Seven Year Itch" in the form of a play set to premiere tomorrow at the Fine Arts Centre at 8053 University ave., La Mesa.

The well-known comedy revolves around a 32-year-old advertising executive who is tempted away from his harmonious family situation by a gorgeous and guileless young actress.

James Berry, of Spring Valley, plays Dr. Brubaker in the production.

Production dates are October 22, 23, 29, 30; November 5, 6, 13 and 14. Curtain time is 8:30 for all dates except November 14 which is 7:30 p.m.

Parking Lot Sale Set by LG Rotary

The Lemon Grove Rotary club has scheduled a rummage sale for Saturday, October 30 on the parking lot of the John Factor VW agency, 6955 Broadway, Lemon Grove. Factor is president of the club.

The proceeds will be used for Rotary club local projects including youth groups.

The sale starts at 9 a.m. and winds up at 5 p.m.

Job Placements

California's state employment offices made a total of 56,101 job placements in August. In the same month last year, the total was 49,042. according to the State's Employment Development Department.

Total job placements made by the Department this year, January through August is 338,201. In the same eight months of 1975 the total was 324,904.

On August 31, the Department had an active file of 650,968 individual job applicants seeking work. The active file of job openings on the same day was only 55,769.

Teen Dance Date is 29th

The V.F.W. Teen Dance this month is held Friday, October 29 at the Lemon Grove Post 2082 Hall, 2885 Imperial ave.

Last week, it was erroneously reported that the dance was be held on the 22nd.

Tickets will be available October 25 through 29, from 10 a.m. to 4 p.m. at the Lemon Grove V.F.W. Post, The Moose Lodge on Grand ave. in Spring Valley and at the Spring Valley VFW.

Spring Valley VFW is a new sponsor of the monthly dances.

The teen dance committee meets November 4.

Date Set for Soroptimist Fashion Show

A fashion show for men as well as women is planned for Lemon Grove next month.

Soroptimist International of Lemon Grove and Spring Valley has set November 17 as the date for its second annual fashion show and boutique.

It will be held at 7:30 p.m. in the auditorium of Lemon Grove Jr. High, at Lincoln and School ln., Lemon Grove.

Glad Rags of 9620 Campo rd. will furnish women's apparel while Len's of Lemon Grove, 7763 Broadway, will display men's wear.

The charge is a $3 donation which covers dessert.

Money collected goes to the Effective Problem Intervention Center and the Soroptimist's scholarship fund.

Last year's show profits were given to the area's senior citizen hot lunch program.

Tickets are available from any Soroptimist member. Central ticket location is Maria's Yarn Shop, 7947 Broadway.

LoWV Offers Two Election Services

The League of Women Voters of Grossmont-Cajon Valley offer two services to aid in decision-making in the November election. In one are speakers who will explain ballot pospositions and present pros and cons. The other is Election Extras which give information concerning candidates for office and pros and cons on ballot measures.

Arrangements for speakers may be made by calling the League number, 461-7422.

Election Extras may be picked up at any County Library in the Grossmont Union High School District, at Grossmont College and many schools, at the El Cajon and La Mesa City Halls, at Chamber of Commerce offices, at the SDG&E office in El Cajon and the PacTel offices in La Mesa and El Cajon, and at many banks and savings and loan offices.

Groups and individuals who want Election Extras may call the League number cited above.

Week for Women Set at Grossmont Jr. College

Women's Week, a yearly observance of Grossmont College's Women's Center, will be held on campus next week.

Women's Week focuses on women, their needs, their relations with others, and their changing roles.

All will be examined during the week by panels, speakers, discussion groups and take-home printed material.

Since its introduction in 1972, Women's Week has attracted increasing numbers of people from the community. Last year more than 3,000 attended programs covering a wide variety of subjects.

This year an all day program scheduled for Tuesday will be devoted to careers for women in the sciences. Women working in the science professions throughout the county will take part. Lunch may be purchased in the college cafeteria during this new event.

Lonnie Barbach, co-director of Clinical Training of the Human Sexuality Program at the University of California, San Francisco Medical School will speak at 8 p.m. Wednesday in the Student Center. Other events of the week include poetry readings, women's concerts, mimes, singing, films, "herstory," and demonstrations of assertiveness and effective self-defense techniques.

The public is invited to share the week with the college's Women's Center. A complete program of events may be obtained from the Center at 465-1700, ext. 401.

School District Judges Pupils Physically Fit

Test results compared favorably with state norms in the annual physical performance tests conducted last school year, in the La Mesa-Spring Valley School District.

The District tested the physical strength, endurance and agility of 2,973 pupils. Test activities included standing long jump, sit-ups, chair push-ups, side step, pull-ups, flex-arm hand and jog walk.

Each year the State of California requires that physical performance tests be administered to elementary and secondary children in grades 5 and 7.

Of those tested in the La Mesa-Spring Valley District, 1,500 were girls and 1,474 boys.

The Board of Education reviewed the just-released scores at its Tuesday night meeting.

UC Nutritionist Nonplused By Acidophilus Milk

Drinking sweet acidolphilus milk certainly won't hurt you, but there's no scientific evidence that it's any better for you than regular milk, according to a University of California nutritionist.

At least one local dairy is advertising and marketing the milk in the county.

Gaylord P. Whitlock, Cooperative Extension nutrition specialist at the University, says that if under proper conditions of temperature and time the Lactobacillus acidophilus culture added to low fat milk to make the sweet acidophilus product is allowed to grow, a soured milk is obtained similar in taste and nutritive value to cultured buttermilk.

"However," Whitlock points out, "the bacterial culture in the product now being sold is added after the milk is pasteurized, and under normal market and home storage conditions the Lactobacillus acidophilus does not multiply and produce acids.

"Thus, we have a sweet milk that contains harmless organisms and which has an acceptable refrigerated shelf life. The basic nutritive value of the milk is not changed."

"Despite testimonial claims to the contrary, there is no published scientific evidence of a health benefit from ingesting Lactobacillus acidophilus," Whitlock concluded.

THEY DIG LA PRESA — Ed Hall (left), owner of La Presa Liquor at 539 Grand ave., Spring Valley, and planner Walt Collins break ground for a new liquor-deli across the street from Hall's present store location.
The owner has invested $175,000 on a new business complex at the corner of Grand and Jamacha blvd. Commercial growth on Jamacha prompted Hall to build on the more-traveled location.
The new La Presa Deli will continue a full sandwich line. Two other stores will be leased in the building, Hall said.

3-Day Antique Show Booked

The Antique Dealers Assn. of S.D. will present its 20th annual Antique Show and Sale Friday, Saturday and Sunday at the Masonic Temple in Mission Valley.

The show, originally one of the first such presentations in San Diego "has earned the acceptance of antique buffs and the general public as being the finest of each year," according to Frank Prince, president of the sponsoring group.

Two large rooms of the Masonic Temple will be filled by the 53 exhibitors with more than $250,000 worth of merchandise. The dealers taking part are members of the local Association plus selected dealers from throughout California and Arizona.

The show is open at noon each day and closes at 10 p.m. except Sunday when it stops at 6.

Property Taxes, Assessments are LoWV Topics Mon.

Are you concerned about property taxes and assessment practices? If you believe property taxes should be lowered, what services financed by property taxes should be cut? Or, what tax would you increase?

These and other related questions will be discussed at unit meetings of the League of Women Voters of Grossmont-Cajon Valley during the week of October 25.

Times and places of the meetings are: Monday, October 25, 7:30 p.m., home of Helen Lenihan, 963 Taft, El Cajon; Wednesday, October 27, 9:30 a.m., home of Dee McCormack, 1266 Hacienda, El Cajon, and 7:30 p.m., home of Ben and Faye Nance, 10852 Calavo Drive, La Mesa; and Thursday, October 28, home of Anne Hurst, 4835 Alzeda dr., La Mesa.

Painted China Show

An exhibition of hand painted china by the Porcelain Artists of San Diego will be held at the Royal Inn at the Wharf, October 23-24, 10-5.

Egg Carton Label Crackdown Due

A crackdown on descriptive labeling on egg cartons went into effect this month.

Under amended regulations of the California Department of Food and Agriculture, eggs in cartons with descriptive terms that indicate a different quality than found in a normal eggs must meet specific standards.

Bureau of Egg and Poultry Quality Control Chief John Miller explains, "A consumer buying eggs in cartons marked 'polyunsaturated,' 'higher in iodine,' or other such descriptive terminology usually expects those eggs to contain a different quality or ingredient than a normal egg. Therefore, the department will test these eggs to determine if they contain either an extra or removed ingredient. If they do not, the labeling must be removed from the carton."

According to Miller, "The amended regulations will assure consumers that eggs in containers with such descriptive labeling are significantly different from normal eggs. At the same time, the regulations will provide a standard for the egg industry.

Local 4-H Members Take State Honors

High honors were awarded to two San Diego County 4-H members in the annual State 4-H Awards Program in the University of California Cooperative Extension 4-H Youth Program, it was announced.

Theresa Nierodzinski, 18, of the Jamul Chaperros 4-H Club was named State winner in Achievement and is now recommended for National recognition in this category to be decided tomorrow in Washington D.C.

If she wins, she will receive a trip to the National 4-H Congress in Chicago and a chance for an $800 scholarship sponsored by the Ford Motor Company.

A graduate of Monte Vista High School, Nierodzinski is a sophomore at Grossmont Junior College. She is the daughter of Mr. and Mrs. J. L. Nierodzinski.

Sheri Lynn Snively, 15, also from the Jamul Chaperros 4-H Club, is the State 4-H Award Winner in Community Development and Service.

She is the daughter of Mr. and Mrs. A. W. Snively of Jamul. Sheri looks forward to a career in Home Economics, ". . . as long as it is community service oriented," she said.

Country Store at Bay General Hospital

The Auxiliary of the Bay General Community hospital is having a Country Store Bazaar Friday 10 a.m.-4 p.m. with all proceeds going to the hospital's Rehabilitation Services.

The Bazaar will feature many handcrafted and homemade gifts. Early Christmas bargains will be offered, as will a variety of afghans. The four afghans will not not be for sale, but tickets may be acquired — three for a $1 contribution, for a chance to win an afghan.

The Bazaar will be held in the hospital parking lot next to the main lobby entrance. It is open to the public. All proceeds will benefit Rehabilitation Services. Bay General is at 435 "H" st., Chula Vista.

TOPS Club Plans Bazaar

The California TOPS club, No. 324, of Lemon Grove, holds their annual Christmas bazaar Saturday from 9 a.m. to 5 p.m. at St. Philip Episcopal Church, at the corner of Hardy and Palm ave. in Lemon Grove. Hand-made items will be featured.

Halloween Treat for Children at Library

The Spring Valley Library will present a Halloween treat for the children of the area with films on Thursday, October 28 at 3:30 p.m.

"Pedro", a baby airplane lives with his parents (a pair of mail planes) near Santiago, Chile. When Papa gets sick and Mama's oil pressure is too high Pedro flies the mail route in a series of comical misadventures.

In "Winter of the Witch" Hermione Gingold plays a 300 year old witch whose house is invaded by a boy and his mother. Together they open a restaurant and sell "happiness pancakes" made by the not so wicked witch. It is based on the book "The Old Black Witch" by Harry and Wende Devlin.

A third feature will be a romp with Our Gang in "Night 'n Gales".

The library is located at 1043 Elkelton blvd.

HOME-COOKED

This Week's RECIPE

Main Dish Salad With Avocado

Beginning with the lovely pale green avocado, Avocado Gazpacho is a gourmet's delight. Each avocado half is filled with the classic gazpacho combination — chopped tomatoes, chopped cucumber, green onion slices and chopped green pepper — blended together with a subtly spiced French dressing.

For the best flavor and appearance, the vegetable combination should be mixed lightly with the French dressing and chilled. Shortly before serving, halve the avocado, sprinkling with lemon juice to avoid discoloration, and fill with vegetable mixture. Serve the salad on lettuce-lined plates, passing additional dressing.

To complement this main dish avocado salad, start the meal with a cold soup or jellied consomme served with lemon wedges. Accompany the salad with French or Italian bread and for dessert, serve a fresh fruit platter with an assortment of your favorite complementary cheeses.

AVOCADO GAZPACHO

1 cup chopped green pepper
½ cup chopped cucumber
½ cup chopped tomato
2 tbsp. green onion slices
¼ cup French dressing
4 avocado halves, peeled
Lettuce

Combine green pepper, cucumber, tomato, onion and dressing; mix lightly. Chill. Fill avocado halves with vegetable mixture.

Makes four servings.

Mariachi Concert Booked

Los Aventureros Mariachi Band will be in concert at 2 p.m. on November 11 in the Diningroom, 320 Date st., San Diego.

The presentation is sponsored by Cedar Community Center.

The concert is free and open to the public.

Foreign Exchange Mission Looking for Local Host Families

Youth Exchange Service, a non-profit foreign exchange service approved by the U.S. State Department, is looking for host families for visiting teens from foreign countries.

Host families can be small or large, young or old, have children or not, but should be stable and able to provide supervision, board and room, a spokesman for the organization said.

Students coming from South America, Mexico, Canada and Europe will be needing homes during the second school semester from January to June. The teens, between the ages of 15 and 19, are screened for adjustment potential, covered by medical insurance, have round-trip air fare and bring their own spending money.

Interested families may phone 469-7907.

CHP Says Motorbike Buyers Restricted to Certain Uses

The California Highway Patrol recently advised prospective motorcycle buyers to be sure the vehicle they purchase is properly equipped for the location where they plan to use it.

"Some buyers are obtaining motorcycles designed exclusively for closed-course racing, but are using them in recreational areas — with the result that some excellent off-road riding areas have been closed because of complaints about noise and fire hazard," Commissioner Glen Craig said.

"Many riders apparently believe that a racing bike can be ridden in recreational areas, but racing bikes are not equipped with proper silencers or spark arresters. The law states they may be used only on closed-course tracks where noise and sparks pose no problem."

Craig says the law establishes three motorcycle categories. The on-highway cycle must be equipped for highway use and registered as a passenger vehicle.

The recreational or trail bike must bear a green identification sticker (issued by the Department of Motor Vehicles) and cannot be ridden on highways.

The third category, racing motorcycles, is the growing problem, however. "Without noise and spark-arresting modifications, they are not legal in recreational areas. And it would be virtually impossible, manufacturers have advised us to modify a racing bike for highway use because of all the equipment changes required," the Commissioner said. The racing bike must display an orange sticker also issued by DMV.

Motorcycle dealers have been advised of the problem and encouraged to make the differences clear to purchasers. Lists of motorcycles designed for racing, or for recreational use, are maintained by CHP field offices.

Beekeepers Must Register Hives

A state law now requires that anyone who maintains bee hives must register them with the County Agricultural Commissioner by November 1.

The law would protect the honey industry by inspecting all hives to locate and eradicate serious bee diseases including American Foul Brood, which is very contagious and kills the larvae in the hive.

Registration can be arranged by sending a postcard to the County Apiary Inspection Div. of the Dept. of Agriculture, 5555 Overland ave., Bldg. 3, San Diego 92123.

Location of hives and the total number should be included. There is no charge for registration.

Falling prices of honey and the growing interest in beekeeping have led to an increase in diseased colonies, according to Charles Morse, Apiary Inspector for the county.

Chargers-Browns In Even-Steven Faceoff Sunday

The Chargers-Browns game at Cleveland is an even money bet.

They're even talking about the playoffs.

It's a far cry from the topic of conversation just 12 months ago when they called for Gene Klein's impeachment and Tommy Prothro was being mentioned in the same breath as Harlan Svare.

The Chargers are 4-2 and lead the AFC in total offense and rushing offense. They'll face former Charger coach Forrest Gregg who is now the Brown's head coach. They'll also meet the AFC's top rusher, little dynamite Greg Pruitt.

The game is at 10 a.m. S.D. time with Hope Hines and Tommy Mason on radio KSDO and Jack Buck and Len Dawson on TV10.

The Chargers 30-7 victory over the Oilers Sunday had fans ecstatic. Quarterback Dan Fouts completed 19 of 25 passes for 279 yards and two touchdowns and moved him into second place in the AFC behind Baltimore's Bert Jones.

Oiler head coach Bum Phillips, formerly a Charger coach, was surprised at the power the Chargers showed Sunday. "Nobody has run like that against us in three years," he said.

The Oilers lead the league in sacking quartebacks. They sacked Fouts three times in one set of downs.

1 P.M. Post Time Now at Caliente

Post time at Agua Caliente is 1 p.m. — sharp. 15 minutes earlier than before.

Shorter days made the hour-earlier post time necessary, according to Jack Meyers, Caliente's director of racing.

The full card of 11 races each Saturday and Sunday will start at 1 p.m. throughout the fall and winter seasons, he said.

The prompt starting time may disappoint fans who want to wager on the first race. Daily double wagering is held on the second and third races. The quiniela races are the first and eleventh. Three exactas are the sixth, eight and tenth. The 5-10 handicapping contests are on the fifth through tenth races.

Burglar is Loser

A 17-year old Spring Valley youth played loser-take-all on the Camaro owned by Judy C. Gilmour on October 14.

What the suspect took from Gilmour's car parked in her driveway at her residence at 1340 Walbollen, Spring Valley, was an 8-track tape deck; the car's steering wheel; a fire extinguisher, a CB antenna and the tachometer.

The loss occurred while she was sleeping. Deputies of the Sheriff's Lemon Grove office, following leads, soon recovered all of the loot — except the antenna.

The youth was processed by police.

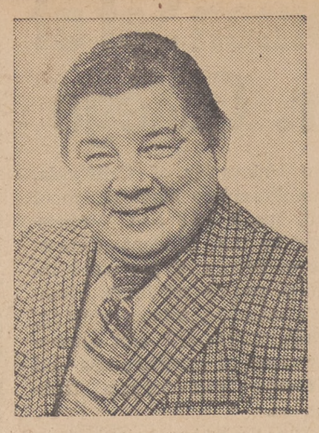
TAKE FIVE



By John E. Wirges

It's a tough game in the biggest league going on this fall and if proper officials were calling the play, Larry Kapiloff would get a "flag" for unsportsmen-like mouth.

Politics is the name of the game and in this particular contest "Big Al" Couppee is challenging Kapiloff for the 78th Assembly District. So far, so good.

Two men of different views in open verbal combat clashing in a hotly contested match gives voters a real measure of choice. It's as American as apple pie, the 4th of July and fireworks in the sky.

In this country of ours, declared in freedom and confirmed in blood and tears, all men and women of good character are not only eligible, but are invited and urged to represent their fellow citizens in public office.

Butchers, bakers, hair dressers, mechanics, teachers, lawyers . . . anyone and everyone can toss his hat in the political ring and ask his friends and neighbors to support him (or her) for office.

It's fair, of course, to challenge your opponent on his (or her) abilities, knowledge, training and such like. That's part of the game. Candidates must put their best feet forward and aim high. Good contests are really knockdown, dragout fights and the people are the winners.

No candidate, however, has the right of insulting our system of government and the freedom inherent under that system, by challenging his opponent's qualifications to seek office because of his profession.

In a recent debate, Kapiloff suggested he was more fit for the 78th seat because he is the incumbent. He questioned Couppee's candidacy by asking the audience, "You wouldn't want to be represented by a sportscaster, would you?" (And since Kapiloff is a lawyer, we'd better add ". . . or words to that effect").

While all's fair in love, war and the general running for office, you gotta call a halt to that kind of reasoning.

First off, if you can prevent writers and broadcasters from running for office, the next time it could be teachers, women, workers, salesmen, bankers or just plain citizens.

The serious business of government, according to the gospel of Larry Kapiloff and his colleagues, (apparently) should be left to lawyers.

No such suggestion ever flowed from the founding fathers. Such an idea does not surface in the Bill Of Rights, the Constitution or the Declaration of Independence.

Now a word about sports reporters and the like. You be the judge of their worth and merit.

Sports folks are inherently honest. There is no other way to cover and report the thousands of contests in a wide variety of activities that pass into the record book every day.

Sports reporters are also feeling men. They suffer each sense of loss and hope of victory as do the athletes they cover. They set the mood and tone for thousands of readers and millions of listeners, before, during and after every contest, in every sport.

No one dare tell them what to write, or what to say in behalf of this player or that team. But competition is so keen that in every contest, on almost every play, only your best is acceptable.

It's a give-your-all kind of trade. It has its light moments, but mostly sports today is a big-money business and what is said and written is as important in the world as stock market closings and Dow-Jones averages.

Sports reporters are also compassionate folks who give of their time and efforts in behalf of those in need or want.

The promotion of the annual Al Bahr Shrine football game is a good example of how good men and women sportswriters and sportscasters pull together for the common good of a most worthy cause.

Would I like to be represented in the State Assembly, the Congress, the Senate or even the White House by someone deeply endowed with the talents and skills one develops in sports reporting?

You bet your life I would. And the community would be richer if it came to pass.

Griffs Collapse for Mt. SAC In Last Two Minutes of Play

Saturday's South Coast Conference football game was about 6½ minutes too long for coach Dave Jordan's Grossmont Griffins.

Leading 24-12 with that much time remaining, the Griffins folded up like a cheap tent as Mt. San Antonio scored 13 points within 73 seconds to pull out a 25-24 victory over Grossmont in Walnut.

The Mounties' second string quarterback, Steve Taylor, fired a 73-yard scoring bomb to Chauncey Abney for one score, and Todd Kilde returned a short Dan Melville punt 52 yards for the second touchdown.

Grossmont made a strong bid to come back, but Mountie Napoleon Sparks intercepted a Jim Freitas pass in the end zone with 1:25 remaining to preserve Mt. SAC's second victory in as many South Coast Conference decisions.

The loss left the Griffins with a 1-1 conference record and a 4-2 season rule. Grossmont's two losses have been by one point. Mt. SAC is 5-0-1 for the year.

Grossmont draws a bye this week. The Griffins will resume play Oct. 30 by hosting Fullerton in Aztec Bowl at 2 p.m.

Tools and All, Stolen

A 24" Craftsman tool box full of tools — all worth $200 —was taken from the camper shell Datsun parked at the residence of Charles Robert Clagett, 715 Sacramento st., Spring Valley on October 12.

Clagett was sleeping in his residence when the thievery occurred.

Mariners Face Road Rigors After Racers' Game Tonight

The heady atmosphere of first place should provide impetus for the San Diego Mariners when they host the Indianapolis Racers tonight in a 7 p.m. WHA meeting in the Sports Arena.

Following the encounter, the Mariners embark on a 6-game, 10-day road trek in Calgary, Minnesota, Indianapolis, Cincinnati, Winnipeg and Birmingham.

Three wins in three nights last week elevated San Diego to the front of WHA's Western Division, one point ahead of Winnipeg, Houston and Phoenix. The Mariners were victors over Minnesota, 7-4, Calgary, 4-2, and Winnipeg, 3-1, the last two efforts coming on home ice.

Coach Ron Ingram had cited the need for picking up points before the upcoming road trip and his skaters responded with a clean sweep in the weekend trio. The Mariners, however, will be hard pressed to continue their momentum.

Indianapolis, defending Eastern Division champs, has won two and lost two in its first four outings, but the Racers are beginning to jell under mentor Jacques Demers.

Hopeful of generating more scoring punch, he has reunited the line of center Gary MacGregor, right wing Mark Lomenda and left wing Francois Rochon.

Lacroix Leads

Lacroix began this week atop the WHA's point ladder, showing three goals and 11 assists, Veneruzzo was ninth with six goals and three assists and Joe Noris was 14th at four goals and four assists.

San Diego, currently with three wins and a tie against a lone loss, has been especially strong in power play situations, hitting on nine goals in 16 tries while allowing opponents only two scores in 16 attempts.

Ingram is pleased with his ability to successfully rotate goaltenders Ernie Wakely and Ken Lockett. Wakely picked up two wins last week to raise his WHA career total to 101 while Lockett got his first after jumping from National League Vancouver.

On defense, Paul Shmyr, Brent Hughes, Gregg Boddy, Kevin Morrison, Bob Falkenberg and Randy Legge have all been effective.

Vengeful Titans Here To Even Aztec Score

The team the Aztecs whipped 59-14 last year is coming back Saturday — for revenge.

The vastly improved Fullerton State football team will greet State at San Diego Stadium for a 7:30 kickoff.

This season, the Titans are 2-2-1 after five games and have played well. Last week the Titans clobbered Santa Clara 58-14, rolling up 570 yards total offense with 294 yards rushing and 276 passing. In the game Fullerton chalked up a school record 58 points and scored another record 33 points in the second quarter. They made no mistakes in the game as they did not fumble, throw an interception or get called for a penalty. Coach Jim Colletto pulled his first team at halftime after running back Artis Dixon had rolled up 138 yards on 11 carries and quarterback Steve Martindale had hit eight of 13 passes for 164 yards and two TD's.

San Diego State, meanwhile, ran its record to 4-1 last week with a thrilling 21-15 win over Pacific. The Aztecs had to come from behind twice in the fourth quarter to pull the game out and then had to stop Pacific on one last ditch effort in the game's closing minutes.

In the game, the Aztecs were forced to play without the nation's No. 2 rusher when David (Deacon) Turner pulled a groin muscle in the game's first series. Turner carried the ball just four times for 36 yards and slipped to No. 4 in the nation in rushing behind USC's Ricky Bell, Western Michigan's Jerome Persell and Tony Dorsett of Pitt.

Senior Ollie Brown took up the slack for Turner, however, as Brown rushed a school record 35 times for 207 yards and a score. Brown is only the seventh player in Aztec history to rush for over 200 yards in a game. Turner has done it twice and Turner and Brown are the only two Aztec backs to rush for 200 yards in the same season.

The Aztecs had several opportunities to put the game away, but were hampered by dropped passes and penalties which stalled drives.

Esau Wins Third Straight Race to Take Open Crown

The regular season closed Saturday at the Cajon Speedway with 4,016 fans watching a 21-year old driver win his third straight feature — and the "open Crown."

Ron Esau, 21, of El Cajon led the entire distance in the 100-lap main event to take home $1,600 in prize money. To do it he set two track records: a single lap — 3/8 mile —in :17.61 and 100 laps in 32:31.65.

Lanny Pemberton of Lemon Grove was second; Pat McIntyre of Spring Valley, third and Gary Beecroft of Lemon Grove took fourth place.

Purses at Cajon Speedway this season topped $103,500.00 in 30 events.

There will be racing there this week but it will be a charity affair on Friday sponsored by El Cajon Valley Jaycees. It is a sanctioned affair (ECSCRA).

The main event will be 50 laps preceded by a 20-lap semi and a 6-lap trophy dash.

Gates open at 6:30. Racing starts at 8.

Cross-Country Meet

Mt. Miguel High School and the Spring Valley Recreation District are jointly sponsoring cross-country meets November 4 and 18. Both meets will be at Mt. Miguel track at 4 p.m.

Three classes — 8th, 7th and elementary — will compete over a 1½-mile course. A team trophy goes to the winner.

Jimmy's, Recs. Win Titles in S.V. P&R Play

The end of the Spring Valley Park and Rec. Dist. Softball League play is nearing.

League champions have been decided. Yet to come during the week-end are the finals of the Post-season tournaments.

On Friday, the Women's League tournament will be decided. The Beavers will play Jimmy's at 6 p.m. on the Helix diamond.

Earlier, Jimmy's won the regular season championship by beating the Diamonds 8-6 and 10-4. The Diamonds won the middle game of three 10-4.

The Men's Post-season Tourney has the Wreckers going against Bultaco Sunday at 4 p.m. at Monte Vista High school diamonds.

In season play, S.B. Recs. took the championship in two games over Them. Scores 22-2 and 9-7.

Finals in one more league is yet to be played. That is the Co-ed Softball playoffs. That play is scheduled for the following week.

Indian Jewelry Taken

A burglar entered the home of Glen Elza O'Conner, at 2650 Massachusetts, Lemon Grove and took away his antique Indian jewelry, on October 11.

Entry was made by removing the screen from a bathroom window. The value of the jewelry was not ascertained.

CB Radio Taken

The 23-channel CB radio belonging to John K. Ewing was taken from his auto while he was sleeping in his residence at 513 Elkelton, Spring Valley.

The radio's make was Gemlectronic, serial no. 11329. The set cost Ewing $400, he told sheriff's deputies.

Man Loses Fishing Reel

A fresh-water fishing reel was taken from the unlocked van belonging to Kenneth Lee Purdy on October 13 while it was parked in his driveway at 9029 Rosedale pl., Spring Valley.

The reel, a Garcia No. 300, is valued at $75.

Short-Life Battery

William I. Austin, of 632 San Miguel, Spring Valley, had just installed a new 12-volt battery in his auto. He paid $36 for it.

During the night hours on October 12, while he was sleeping, a thief removed it.

Chacon Dinner Draws

More than 250 well-wishers attended Assemblyman Peter Chacon's testimonial dinner Friday night at Vacation Village.

Assemblyman Howard Berman, Majority Floor Leader, and Assemblyman Julian Dixon, Majority Caucus Leader, paid homage to Chacon for his lawmaking capabilities.

Chacon is seeking re-election. His opponent is Philip Andreen.

Van Asks Ford for Job for Local Yard

Rep. Lionel Van Deerlin has appealed to President Ford to hold up assignment of Navy shipbiulding to Navy shipyards.

The congressman said a San Diego yard, National Steel and Shipbuilding, "has excellent prospects of winning" a contract to build a new destroyer tender if the selection is based on merit and cost effectiveness.

Van Deerlin sent telegrams Wednesday to Mr. Ford to express his concern. "I ask your personal intervention because I feel that a matter so fundamental as a change in government shipbuilding policy should take place only through action by Congress, acting on independent studies and executive recommendation," Van Deerlin said.

He said his Washington office has been advised that a Navy decision to assign all future shipbuilding to Navy yards will be announced "momentarily."

'Handle' '10-4'

Phyllis S. Stillwell, owner of Avant Electronic at 9817 Campo rd., told sheriff's deputies that a white male, about 18-20 was the prime suspect in the theft of a CB radio from her store on October 5.

Several shoppers were in the store at the time of the theft. The device was valued at $130.

Candidate Offers List Of Foe's Contributors

SPRING VALLEY — Councilwoman Lucille Moore released a list of 60 names last week of contributors of more than $30,000 to three candidates for County Supervisor in the past two years.

Mrs. Moore, in a speech to the Spring Valley Rotary Club luncheon at the Oxbow Inn, said the funds were distributed to her opponent, Walt Kenrick, and to Supervisor Lou Conde, who is seeking reelection, and to Supervisor Lee Taylor in his successful campaign for election in 1974.

"So far as I have been able to determine, there is nothing illegal about these contributions," Mrs. Moore said.

"I believe, however, that the public is entitled to know the financial interests of the persons backing candidates for local office! I cannot accept as coincidence the fact that in these three campaigns — my opponent's, Conde's and Taylor's — the same names of large contributors appear."

Mrs. Moore noted that a majority of the contributors listed on all three financial disclosure statement filed by the candidate were connected with the land development industry and related fields. She also said large contributions from outside San Diego County were recorded.

"The question we must ask is why this particular business is so heavily represented in my opponent's campaign and others," Mrs. Moore said.

"Perhaps San Diego is targeted for a major development push for our remaining open space," Mrs. Moore said. "Perhaps such a drive awaits only the election of a sympathetic County Board of Supervisors.

"I want to emphasize that I am not charging this group of contributors with trying to buy their own board of supervisors or with any illegal acts.

"I simply question whether it is in the public interest for any group to have this much influence in campaigns for public office.

The list contained 35 different contributors who gave to Kenrick, Conde and Taylor. 21 of the total are identifiable as being aligned with property development — such as savings and loans, fence firms, contractors or material firms.

The largest contribution to Kenrick was $350 (one) with the rest ranging down to $50.

The total on the list was $8,090 to Kenrick; $12,650 to Conde and $10,500 to Taylor.

Camping Fan at Work

A camping tent worth $50 was taken from the premises of Chiz A. Imoto on October 6 at 1662 Watwood, Lemon Grove.

Imoto was pursuing daily routines during the period of the theft.

FOR THE RECORD — Sheri Lynn Snively, a member of the Jamul Chaparros 4-H Club, has been named a state winner in 4-H Record Books category. Her club record book was entered in the category "Community Development and Service" and the highest possible achievement in the category was her award.

Sheri has also participated in the 4-H Citizenship Project and recently traveled to Washington D.C. for the 4-H Citizenship Shortcourse.

The 15-year-old is the daughter of Mr. and Mrs. A. W. Snively. She is active in the F.H.A., the C.S.F. and other student activities at Valhalla High School where she is a junior. (See story Page 3).

Local Developments Win 5 SAM Awards

Local developments were involved in SAM awards recently.

SAM (Sales, Advertising and Merchandising of the housing industry) awards went to Time for Living, a development at Sweetwater rd. and Blossom lane for product design.

On Mt. Helix, Lake Helix won five awards in various categories. Lake Helix is in the 9800 block of Lemon ave.

Right Snowfall Guess Worth Dinner, Rides

The annual guessing game in Palm Springs is on, and even people as far away as Lemon Grove and Spring Valley can play.

Each year the Palm Springs Aerial Tramway welcomes post card guesses on when the first snowfall will occur on the Tramway.

The contest traditionally begins the first week of October and continues until the first measured inch of snow falls.

The prize for the first ten postcards received with the correct date is two of the Tramway's "Ride 'n' Dine" dinner combinations.

Entries are unlimited, but only one date per post card is acceptable. They should be sent to "Snowfall", Palm Springs Aerial Tramway, Drawer FF, Palm Springs, CA 92262.

NOTICE OF INTENT TO ANNEX PROPERTY TO THE SPRING VALLEY FIRE PROTECTION DISTRICT ZONE I

Resolution No. 76-15

Resolution Initiating Proceedings For Annexation Of Territory to Special Fire Protection Zone

On motion of Director Allen, seconded by Director McPherson, the following resolution is adopted:

WHEREAS, pursuant to provisions of the District Reorganization Act of 1965 (Government Code Section 56000 et seq.) this district recently annexed certain territory of the Otay Municipal Water District; and

WHEREAS, pursuant to Chapter 12 (commencing with Section 13991), Part 2.7, Division 12 of the Health and Safety Code this district has established a special fire protection zone for the purposes of levying a tax to pay hydrant rental charges and related costs; and

WHEREAS, public interest and necessity demand the annexation of a portion of the Otay Municipal Water District territory recently annexed as aforesaid, for the reasons that a hydrant rental charge has been placed upon each and every hydrant in that portion of the Spring Valley Fire Protection District supplied by the Otay Municipal Water District, and the Board of Directors feels that this charge should be borne by those benefiting directly from the hydrants; NOW THEREFORE

IT IS RESOLVED, ORDERED AND DETERMINED that pursuant to Health and Safety Code Section 13991 et seq. this board proposes to annex to this district's special fire protection zone a portion of the territory of the Otay Municipal Water District which was recently annexed to this district as aforesaid, the boundaries of said portion which are shown on attached map (grey area on map above within heavy blue lines is already within the Spring Valley Fire Protection District Zone I), and the legal description is on file in fire district's office.

IT IS FURTHER RESOLVED AND ORDERED that a public hearing on the question of the annexation of the above-described territory to the special fire protection zone as aforesaid will be at 7:30 o'clock P.M., on October 28, 1976, at 905 Gillespie Drive, Spring Valley, California. Any person interested, at or before the hearing, may file with the district board a written objection to the proposed annexation. At the hearing the district board will hear and determine all protests and objections.

IT IS FURTHER ORDERED that the Clerk of this Board cause notice of the aforementioned hearing to be published and posted pursuant to the requirements of Health and Safety Code Section 13394.

PASSED AND ADOPTED by the Board of Directors of the Spring Valley Fire Protection District this 23rd day of September, 1976, by the following vote:

AYES: Members Allen, McPherson, Bridwell, and Fillet
NOES: Members None
ABSENT: Members Schafer

RESOLUTION OF INTENTION TO SELL REAL PROPERTY AND NOTICE INVITING BIDS (DEFERRED PAYMENT TERMS)

On motion of Supervisor Conde, seconded by Supervisor Brown, be it resolved as follows:

1. Pursuant to Section 25538 of the Government Code, this Board of Supervisors declares its intention to sell, as is, where is, under the terms and conditions set forth herein, the following described real property, no longer required for County use, situated in the County of San Diego, State of California:
   Lot 14 of REXVIEW Estates Unit No. 1, in the City of San Diego, County of San Diego, State of California, according to map thereof No. 5098 filed in the office of the County Recorder of San Diego County, December 21, 1962.
   STREET ADDRESS: 232 N. 69th Street, San Diego
2. **Minimum Sealed Bid:** $17,000.00.
3. **Bids:** Sealed written bids must be submitted on a form supplied by the County's Real Property Director, and the envelope containing the bid must be signed by the bidder. Said sealed bids will be received at the office of said Real Property Director, Room 208, County Operations Center, 5555 Overland Avenue, Building 2, San Diego, California 92123, until 2:00 o'clock p.m. on November 3, 1976, at which time they will be publicly opened, declared and considered.

Anytime before the time scheduled for formal bid opening, a bidder, upon proper application and identification to the Real Property Director shall have the right to withdraw his bid and the bid security shall be returned to said bidder. No written bid may be withdrawn after the time set for bid opening without the Community Services Administrator's approval and a bidder so withdrawing his bid may be held liable for damages and costs to the County incurred as a result of said withdrawal.

At the time and place said written bids are opened and declared, oral bids exceeding by at least 5% the highest written bid submitted will likewise be received from responsible bidders. All written bids and the highest oral bid shall remain open and subject to acceptance by the County's Community Services Administrator for a period of 7 days after written bids are opened and declared. The Community Services Administrator reserves the right to reject any and all bids and to waive any informalities in the bidding.

4. **Security Deposit:** $2500. $1500 must accompany each sealed written bid or oral bid, if any. $1000 must be submitted by the high bidder to the Department of Real Property, 5555 Overland Avenue, Building 2, Room 208, San Diego, CA 92123, within 24-hours, excluding Saturdays, Sundays and holidays, after said high bidder is notified of thet additional $1000 deposit requirement. Notification may be given orally, including by telephone, or in writing. Failure by the high bidder to make the required deposit shall be cause for awarding the property to the second high bidder and the high bidder shall be liable to the County for all damages incurred. The security deposit must be in the form of cash or cashier's check and serves as a guarantee that the high bidder will enter into an escrow and pay the purchase price. All checks shall be made payable to the County of San Diego. The difference between the amount submitted as security deposit and the required down payment, specified in Clause 5, **TERMS**, need not be presented at the time of opening and declaration of bids but must be deposited with the escrow holder prior to close of escrow. All bid security deposits shall be retained by the County until selection of the successful bid and shall be returned to unsuccessful bidder as soon as possible thereafter.
5. **Terms:** Down payment of cash in amount not less than 15% of the purchase price and a note for the balance of the purchase price to be paid in not more than 300 monthly installments with interest on the unpaid balance at the rate of 8-3/4% per year, secured by a Deed of Trust naming the County of San Diego as beneficiary. Should Trustor under said Deed of Trust further encumber, or convey the property described herein or any part thereof without written consent of County, all sums secured by said Deed of Trust shall become immediately due and payable.
6. **Escrow:** Within 10 days after acceptance of a bid, the County will open an escrow. The successful bidder shall pay all recording fees, documentary stamp taxes or other real estate transaction taxes or fees by whatever name known, including escrow fees.
7. **Title:** County will convey its right, title and interest in the property described herein by Quitclaim Deed. County assumes no liability for any other possible encumbrances either of record or not of record. No policy of Title Insurance will be furnished by County, and prospective bidders should consult local title companies if more complete information regarding the status of the title of said property is desired.
8. **Commission:** No commission will be paid for the sale of this property.
9. Be it further resolved that the Clerk of this Board is hereby directed to publish notice of intention to convey real property pursuant to Section 6061.3 of the Government Code.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 21st day of September , 1976, by the following vote:

Letters To The Editor

Candidate Complains

Dear Editor:

I read with great interest Max Goodwin's editorial of October 7 defending former Secretary of Agriculture Earl Butz's ethnic humor. It was the most disgusting article I have seen since reading a John Birch Society handout a few years ago.

Goodwin states that the firing of Earl Butz was "a stupid act". I could not disagree more. Any man in a position of authority should have enough common sense not to offend over 20 million patriotic Americans. As a matter of fact, newspaper editors should have enough common sense as well.

Goodwin feels this country has become "screwed up" because you can no longer tell an ethnic joke. I believe racism and bigotry are "screwed up" and should not be nurtured by people in Government or journalism.

I only ask that Max Goodwin continue to enjoy ethnic jokes "in his heart", but don't subject the rest of us to them. Residents of Lemon Grove deserve better.

Todd Keegan

Editor's note: Mr. Keegan is a bigot because he is against Earl Butz and newspaper editors. Next it may be motherhood and apple pie.

He is running for a seat on the Lemon Grove school board. Residents of Lemon Grove deserve better.

Postmaster Speaks

Dear Editor:

The United States Postal Service was made a quasi-government corporation in 1970. The law which established this corporation gave it authority to unionize the same as private industry, with one exception — the right to strike.

The National Labor Agreement, which started immediately with the corporate structure, has provisions which are above and beyond anything in the private sector, such as no-layoff. Also, when labor disagrees with management's decisions, management cannot act. The decisions must go to arbitration, etc.

The postal service is responsible to no one for its expenditures. Any deficit must be paid by the taxpayers.

The salary structures which the U. S. Postal Service set for itself for management and labor have a ceiling of $63,000.** A large number of management officers receive salaries which far exceed those of Senators and Congressmen. The Post Office labor force receives salaries which far exceed those for government employees. Prior to the formation of the Postal Corporation, these were comparable.

Overstaffing and idle hours in the Postal Service is now a way of life. The law requires eight hours work for eight hours' pay in other agencies.

The union contract which the Postal Service negotiates with itself supersedes the law of our land. The financial problems in the Postal Service have been created because of this labor agreement. Excessive increase in postage has caused a decrease in mail volume. Many of the major users are now finding alternate means in lieu of paying this price. The no-layoff provision in the contract leaves a fixed number work force with a decrease in mail volume. Postal employees receive high pay for doing nothing. Unless the attrition rate equals the workload decreases, the imbalance between the manhours and the workload will continue. The no-layoff clause does not permit management to reduce the work force to correct the imbalance. An effective work measurement system has been eliminated, and each office is permitted to set its own work standards which supports this type of imbalance. Efficiency and economy in the operation of the Postal Service under this labor agreement are impossible.

The upper management of the Postal Service has committed various acts to shield this truth from the public. Hearings before the subcommittee of the Congress when properly reviewed will clearly identify the fabrications. How can Congress or the President ignore this when conduct of a similar nature in the Executive Branch of the government brought about the removal of the President of this Nation.

The investigative arm of the Congress, known as the General Accounting Office, has presented reports and testimony which are absolute fabrications. Documents proving these fabrications are in the hands of Congress. For Congress to use these reports while in the process of preparing legislation for laws to govern this Nation is a damnable act. The need to refer this to the Justice Department for an in-depth probe is of the utmost importance if our government and the nation's business is to function properly. The Board of Governors, the Postmaster, the entire upper management of the United States Postal Service should be held responsible and accountable for the multi-billion dollar waste which they and they alone are responsible for.

I invite everyone interested in an efficient U. S. Postal Service to write their Congressman and make their views known.

**(The only limit on U. S. Postal Service salary is that no employee can make over $63,000. The total subsidy for the current fiscal year is 1.5 billion, plus an estimated deficit of 1.4 billion, representing a total amount the taxpayers have to shell out annually, plus the price of stamps.)

Bums . . . Except Conde

Dear Editor,

The S.D. County Board of Supervisors, one of the worst groups of political boondogglers our county has ever had, projects their dismal record to the people by presenting a bill to all property owners showing their taxes doubled.

This staggering legacy for the over-taxed citizen from the big spenders, should be on every voter's mind motivating votes of protest to oust these power-mad egotistical political hacks who serve their ego to the exclusion of those who elected them.

However, there is one exception. Supervisor Lou Conde, a gentleman who graces well the arena of political science, is a man who has earned your vote by his courage in standing alone against the board's dictator and voting his conviction.

Look at the record. Don't be fooled by mud-slinging, campaign rhetoric. "Sack Jack Vote Conde Back".

Does Fetus Have Soul?

Dear Editor:

One point the theologians overlook when arguing against legalized abortion is that of SOUL.

Do they know exactly when SOUL decides to enter a human body? Do they know when a fetus becomes a living SOUL?

Many mystics say it is when the first breath of air (or Prana according to the Hindus) is taken. Until that time, the fetus is simply a living organism and does not as yet contain the consciousness that can become either Self or God Realized.

Does not the Bible state that God breathed life (Soul) into Adam and from then on he was the image and likeness of God?

If, as the Pro Lifers argue that taking a life is wrong, then let them also not take any life—animal, vegetable or mineral.

Until this question is answered, there will be continual argument on the subject of abortion.

IN THE DOG HOUSE — Gary Lee, recreation leader for the Spring Valley Park and Recreation District, repaints the sign in front of its new office on Jamacha blvd. east of Sweetwater rd. and next door to Spring Valley Community Park. The building housed the South County Animal Shelter offices before it relocated to 5821 Sweetwater rd. this year. The Park and Rec. District moved to the new office in August. Administrators had been sharing quarters with the La Mesa Park and Rec. Department before the move.

Swine Flu

In February, a new strain of swine influenza virus was isolated from an outbreak of disease among military recruits at Ft. Dix, New Jersey. This strain has not been prevalent among humans in the U. S. for nearly 50 years.

It is believed to be related to the virus which caused the 1918-19 pandemic (world epidemic) which struck 200- to 300-million people, with 20-million deaths. In the U. S. three out of ten people had the disease and 548,000 died in a six-to-eight-week period, overwhelming medical personnel, supplies, hospitals and other essential services.

It is not known if this virus will cause another epidemic in this country, but it is known that virtually the entire population is vulnerable to infection from swine influenza because only a very small portion of the population has had previous exposure to and infection by similar viruses.

With this in mind, Congress has appropriated $135-million to produce a vaccine to be available to everyone who wants it before the "flu season."

The vaccine — which is grown in eggs — is expected to be 70-90 per cent effective. Some people receiving the vaccine may develop swelling, redness and tenderness in the area of the shot. A small number of people may run a fever for a day or two. Severe reactions are rare.

It is recommended for nearly everyone except the young and people allergic to eggs.

Mass clinics are being set up to provide the vaccine at little or no charge. Health centers and many private physicians will also be giving the shots. If you receive the vaccine from your doctor, you will be charged for the administration; the vaccine itself is free.

Influenza is a respiratory disease which can lead to serious complications. Flu symptoms include fever, chills, headache, a dry cough and soreness in the back, arms and legs.

There is specific drug to cure the disease. For the majority of cases, home treatment is best. The patient should get lots of rest, drink plenty of fluids and take aspirin or an aspirin substitute to reduce fever and aching. Decongestants, vaporizers and lozenges may also be helpful.

For the more severe cases — repeated severe coughing, fever beyond two or three days — a doctor should be consulted.

Welfare Dept. Eyes Cut in Paperwork

The County of San Diego Department of Public Welfare has developed a proposal which, if adopted, could result in savings of up to $1 million annually to the County.

The Board of Supervisors has approved the Welfare Department plan that will be sent to the State Department of Benefit Payments for final approval.

The new system, developed over a three month period by Welfare staff will involve new procedures as well as require some temporary waivers in state and federal regulations.

Most of the savings would be in administrative costs because 250,000 fewer forms would have to be processed annually to verify eligibility for financial assistance.

Examples: a family would no longer have to fill out a 16-page form to inventory their household possessions in great detail;

16 and 17 year olds would no longer have to be routinely referred to the Employment Development Dept. where less than one per cent of them found jobs because the EDD concentrates its efforts at finding employment for heads of households.

Colston Gets New Post at Utility

B. W. Colston has been elected vice president of the project management division of San Diego Gas & Electric Company effective this month.

Colston's newly created position represents a personnel shuffle within the utility to improve the efficiency of its technical and operation department.

Staggering County Tax Bills Won't Make Bite Less Painful

The first of 502,806 tax bills for more than a half billion dollars in 1976-77 real property taxes, have been mailed to most property owners.

This year's bills total $532,228,585, according to Tax Collector James E. Jones, who said he would use the staggered mailings he adopted last year to even the work load of county and postal service employees. Information statements will be mailed later next month to property owners whose taxes are paid from impound accounts by lenders.

A tax bill on which a homeowners exemption is listed must be addressed to the site of the exemption, Jones said. Homeowners who pay through their lenders will get information statements at the exemption addresses.

The total tax charge increased by $45 million this year compared to an $86 million dollar increase last year over 1974. Jones pointed out, however, that the amount of an individual bill depends on assessed value of the property and rates set by taxing agencies for the rate area in which the property is located. These rates are broken down by agencies on individual tax bills and information statements.

Taxpayers will have until December 10 to pay the first half of their bills. Six per cent of the amount of the installment will be added to payments made after the December 10 and April 10 deadlines.

"State law does not permit a tax collector to waive penalties because a taxpayer didn't get a bill," Jones said. He asked property owners who don't receive a tax bill or information copy by November 1 to call his office, 236-3121.

County's Share is $6.3 Million If Park Rec Bond Issue Passes

San Diego County will receive $6.34 million in park, beach and recreation funds if voters pass Proposition 2 on the November ballot.

State parks and Recreation Director Herbert Rhodes issued a list of grant amounts totaling $82.5 million to local government agencies for funding projects under the $280 million Coastal Bond Act.

The Act provides for the acquisition, development or restoration of real property for parks, beaches and recreation areas and preservation of historical resources.

The Bond Act includes $110 million for State Park System acquisition in coastal areas, plus $13 million for statewide acquisition and $21 million for statewide development, including historical projects.

An additional $26 million is included for development of recreational facilities at State Water Projects facilities, and another $15 million is allocated to the State Wildlife Conservation Board for acquisition and development of wildlife areas, $10 million of which is earmarked for the coast.

An additional $10 million is allocated to a special Coastal Conservancy program set up by the Legislature to preserve open space and provide public access.

Valley Firm Gets Million $ Contract

SPRING VALLEY — A $1.2 million contract has been awarded U.S. Elevator, a subsidiary of Cubic Corp. by the National Naval Medical Center, Bethesda, Maryland.

Under terms of the agreement, the Southern California elevator manufacturer will design, build and install special passenger and service hospital elevators as well as dumb waiters in the eight floor hospital.

Work on the project has begun with initial deliveries set to commence in 12 months. Completion of all elevator work is expected by 1978.

Contractor on the structure presently being built in Bethesda is Blake Construction Co. of Washington, D.C.

Chacon Isolates Minorities—Andreen

Assembly Candidate Phil Andreen has accused Assemblyman Peter Chacon of neglecting the problems of the majority of the 79th Assembly District and of hindering solutions to minority problems by attempting to isolate minorities from the rest of American society.

Andreen was critical of Chacon's efforts to achieve what Chacon has called "ethnic parity" — guaranteed minority voting power.

"'One man (or woman) — one vote' is good enough for everyone else," claimed Andreen. "There is little difference between Chacon's 'ethnic parity' and Jimmy Carter's 'ethnic purity'. Both express a desire to isolate and shelter a given group of people from the mainstream of American society. That is wrong. Minorities do not want special privileges or handouts, they want equal opportunities and a fair chance as Americans — which I fully support."

...and Upon Closer Inspection, Your Honor...

At first Gallion W. Burkett, of 7243 Carmenita ave., Lemon Grove, must have thought he was getting a free auto inspection.

There, in his driveway, knelt a young man with a handful of auto tools examining Burkett's '70 Dodge.

When Burkett inquired about this matter, the stranger said he had a car just like it and was "just looking." Then he walked hurriedly away.

Burkett followed the man and noted a license number when he got into his vehicle and drove away.

Returning to his driveway, Burkett found metal screws which held his car's grille in place.

It became apparent that the stranger wanted to remove the grille to get a better look at it.

Sheriff's deputies are following the trail supplied by the license number.

Starkey Chairs I-MC

John P. Starkey has been elected to a second term as chairman to San Diego's Inter-Museum Council, (I-MC).

Starkey is president of Southern Mortgage Company and a member of the board of trustees of the Natural History Museum. Other officers are David W. Jackson, vice chairman and Major General Lowell E. English, USMC (ret), secretary-treasurer. Jackson is president of Jackson & Blanc and foreman of the Firehouse Museum. English is director of the Museum of Man.

The I-MC was first formed in 1928 to serve the best interests of the existing museums in Balboa Park.
